**PEACE ON
EARTH**

For all of God's Creation

Lambeth Conference 1998 - Resolution 1.8

- ✝ The divine Spirit is sacramentally present in Creation, which is therefore to be treated with reverence, respect and gratitude.
- ✝ Human beings are both co-partners with the rest of Creation and living bridges between heaven and earth, with responsibility to make personal and corporate sacrifices for the common good of all Creation.
- ✝ The redemptive purposes of God in Jesus Christ extends to the whole of Creation.
- ✝ That unless human beings take responsibility for caring for the earth, the consequences will be catastrophic.

✝ Any interpretation of scripture that contradicts a rational understanding of God's goodness and mercy, is incorrect. **Pope John Paul II**
