

Christmas Compassion 2004
A European Vegetarian Union Campaign

Dear friends,

For once we are going to give away presents! They will be sent to those most successful in answering our quiz below. Some of the questions are very easy, some are a bit trickier – but they are all meant as light Christmas entertainment.

When all answers are right and your slogan is considered to be the three best by the jury, you can win an Amazone book token over 50 Euros for the first price and two tokens over 30 Euros for the second prices. Everyone is welcome to participate – except the members of the EVU board who will be the jury.

How to do it:

-Just copy the questionnaire, mark your answers and email the form back to evu@ivu.org
-or fill out the hardcopy-form and return it to the Secretariat not later than 30 January 2005.

We wish you good luck and hope that loads of snappy slogans will land in our mail- and letterbox so that we have plenty of PR material for next year.

All the best and
HAPPY HOLIDAYS.
